Return Instructions:

1. Fill in your invoice number on both the address label (above) and the return sheet (this part). The invoice number can be found in the top-left hand corner on the original paper work the accompanied the order. If this can't be located use the web order number in its place.
2. Cut the address label off the top of the sheet where indicated and fix onto return parcel.
3. Put the return sheet (this section) in with the return.
4. Seal the parcel and take it to your nearest post office or post box.
